Get Creative

Do you want to put your creative passions towards a good cause? We are so excited to see what you can do! Here is a guide to help you get started, set goals and get your creative juices flowing towards our goal of \$40,000!

How do you get creative?

Are you a natural born performer? Have a knack for painting? Calling all origami experts, trumpet players, photographers, bakers and magicians! Your skills are required! Which of your many talents will you choose to showcase in support of Boyle Street 40?

What is your challenge?

It's important to choose a goal that isn't too easy or too hard – something that will challenge you in a fun way! What challenge will work best for your creative endeavors?

- Sell \$400 worth of paintings
- Make 40 homemade pies
- Take 40 beautiful pictures
- Teach 4 classes
- Do a 40-minute virtual or in-person performance!

Whatever you choose, this is a great opportunity to engage with your friends, family, and community in creative ways!

Teamwork makes the dream work

Don't forget to involve your team! The BS40 is all about community and supporting one another. If you are participating solo, you have the entire BS40 team here to support you, cheer you on and answer any questions!

When will you complete your challenge?

You have until June 18th to complete your creative challenge. Whether you do a special performance that day or spread your activity over a series of days or weeks is totally up to you!

Tell everyone WHY!

Remember it's not what you're doing, it's why you're doing it. All the money raised will go directly to supporting our 40+ programs and services. We have a great guide to help you let people know why you care right [here](#).

Are you ready to sign up? [Your BS40 Page is waiting for you right here!](#)
