Get Outside the Box

Do you have an idea too amazing to fit into a category? We are so excited to see what you can do! Here is a guide to help you get started, set some goals and channel those brilliant ideas into reaching our $40,000 goal!

How do you get outside the box?

You have a wacky brilliant idea and we want to know what it is! How will you communicate it to others so that they can get excited about supporting your team? The unique way you choose to participate in BS40 is going to be so memorable and exciting!

What is your challenge?

It's important to choose a goal that isn't too easy or too hard – something that will challenge you in a fun way! If you can find a way to include the number 40, even better!

Whatever you choose, this is a great opportunity to engage with your friends, family, and community in a unique way!

Teamwork makes the dream work

Don't forget to involve your team! The BS40 is all about community and supporting one another. If you are participating solo, you have the entire BS40 team here to support you, cheer you on and answer any questions!

When will you complete your challenge?

You have until June 18th to complete your one-of-a-kind challenge. Whether you shave your head that day or spread your activity over a series of days or weeks is totally up to you!

Tell everyone WHY!

Remember it's not what you're doing, it's why you're doing it. All the money raised will go directly to supporting our 40+ programs and services. We have a great guide to help you let people know why you care right **here.**

Are you ready to sign up? Your BS40 Page is waiting for you right here!
