on Social*

*Learn to Say
Edmonton in Cree*

*Find a Resource
& Share*

*Share a Picture in
Your BSC Swag*

*Recreate the Boyle
Street Butterfly*

*Smile at Five
Strangers*

Pick Up a Naloxone Kit

Naloxone Kits are used to reverse opioid overdoses and are available for free to individuals at pharmacies. Pharmacists can provide training and should not ask for ID to receive a kit. By keeping a naloxone kit on hand, you can save someone's life! When you share with others that you carry naloxone, you're participating in harm reduction, reducing stigma and demonstrating the belief that all humans deserve to be seen, heard and cared for by their community!

If you need help accessing a kit, feel free to ask us and we will support you to get one.

Buy a coffee for someone

Build a connection and share some kindness, can you purchase a coffee for someone? Don't forget to ask if they take cream and sugar!

Why not try some indigenous cuisine while you're at it and complete this square by supporting the suspended Tea and Bannock Program at [Teepee Treats](#):

"Simply pay \$5.00 for an extra tea and bannock and fill out a ticket. A community member can request a ticket for a suspended item by just asking"

Follow Boyle Street on Social

If you aren't already following Boyle Street on social media, now is your call to hit that like and subscribe! Boyle Street Community Services can be found on Facebook, Instagram, Twitter, LinkedIn, as well as our monthly newsletter. Keep up to date with what's happening at Boyle Street through any channels you use!

Learn to Say Edmonton in Cree

Do you know that we live in a traditional gathering place of many indigenous peoples? The name of this land is amiskwacîwâskahikan. This translates to "Beaver Hills House" and in Cree syllabics:

Practice, practice, practice how to say the original name of the city we call home. Once you've got it down, record a video and share it with your network! [Here is an audio recording to help get started.](#)

Find a Resource & Share

Do you know about the resources available in your local community? Try looking up where your local food bank is, emergency overnight shelter, ID services or free meals for lunch. Being able to refer people to accurate services shows that you care. If you're not sure where to start, download the 211 app and take a look around! Once you find a resource, make sure you share what you've learned!

Share a Picture in your BSC Swag

Once you sign up for The Boyle Street Challenge, your team should assign someone to come collect your Boyle Street Swag. Each participant will receive a tote bag, hat, button and tools to help you along the way. Take a picture and show off your new Boyle Street Challenge swag to your supporters!

Recreate the Boyle Street Butterfly

The Boyle Street Butterfly is part of the Boyle Street Community Services logo, as well as the logo for the Boyle Street Challenge, try your luck at re-creating the butterfly – whether your talent lies in glass blowing, baking or stick drawing, do your best and show us what you've created!

Smile at Five Strangers

Share a smile, a nod or say hello. Those we choose to engage with says something about who is seen and welcome in our community. Everything we do matters – even the small things – when you share this simple, and costless gesture, you are helping to reduce stigma, and this is an important step towards creating stronger, more inclusive communities.
